

## MOTION TO INSTRUCT

Mr. Ryan of Wisconsin moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the House amendment to S. Con. Res. 13 be instructed, within the scope of the conference, to:

1           (1) Recede to the Senate on reconciliation in-  
2           structions by striking title II of the House amend-  
3           ment which includes reconciliation instructions for  
4           health care reform to the Committees on Energy  
5           and Commerce and Ways and Means and a separate  
6           instruction to the Committee on Education and  
7           Labor, investing in education.

8           (2) Recede to the Senate on section 316 enti-  
9           tled "Point of order on legislation that eliminates  
10          the ability of Americans to keep their health plan or  
11          their choice of doctor" to provide for a point of  
12          order against any legislation that eliminates the abil-  
13          ity of Americans to keep their health plan or their  
14          choice of doctor.

15          (3) Recede to the Senate on section 202(c) of  
16          the Senate resolution, providing that the chairman  
17          of the Committee on the Budget of the Senate may

1 not adjust the allocations and aggregates of the con-  
2 current resolution for climate change legislation that  
3 would decrease greenhouse gas emissions if such leg-  
4 islation is reported from a committee pursuant to  
5 section 310 of the Congressional Budget Act of  
6 1974.

7 (4) Recede to the Senate on section 310 of the  
8 Senate resolution, setting forth a point of order  
9 against legislation that increases revenue above the  
10 levels established in the applicable budget resolution.
