**BUDGET**

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

**When asked to defend a massive spending agenda, President Biden said:**

**We are glad you asked, Mr. President.**

### **A Wave of Waste**

Officials in Horry County, South Carolina want to spend \$4 million from Biden’s Bailout Bill (remember, the one for “COVID relief”) for beach parking and bathrooms.

So, this is how one turns a massive wave of federal taxpayer dollars into a day at the beach...literally.

But apparently not everyone is on board with the idea just yet because – according to an official with the South Carolina Association of Counties – [“\[w\]e don’t know and Treasury doesn’t really know how the money can be spent.”](#)

Got it? Washington Democrats passed trillions in spending so that they can then figure out how to spend it.

By that rationale, maybe they can figure out how not to spend it.

Stay tuned for more.
