

**"WHAT WOULD THEY HAVE ME CUT?
WHAT WOULD THEY HAVE ME LEAVE OUT?"**

BUDGET

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

“What would they have me cut? What would they have me leave out?”

We are glad you asked, Mr. President.

The Malarkey

President Biden is now saying that his \$4.3 trillion tax and spending spree costs – get this – [“zero dollars.”](#)

Huh? C’mon man!

It is the most expensive bill in the history of the United States. And while it includes \$2.1 trillion in tax increases – many of which will [fall on low- and middle-income](#) Americans – [it still adds \\$2.4 trillion to the debt.](#)

And that’s before you factor in the games Democrats are playing with Americans by creating numerous policy cliffs over the next 10 years...all to hide the true cost of their agenda.

Even the bipartisan infrastructure bill falls [\\$400 billion short](#) in its offsets.

If the President is not going to cut the spending, can he at least cut the malarkey?

Stay tuned for more.
