**We are glad you asked, Mr. President.**

### **A Big Swing**

Thanks to President Biden’s Bailout Bill, a city in southern Florida is taking a big swing on a brand-new golf course – courtesy of the American taxpayer.

Palm Beach Gardens is teeing up federal tax dollars to build a [“\\$16.8 million, par-3 golf course with a two-story clubhouse and driving range.”](#)

While spending federal dollars on a golf course doesn’t make a *hole* lot of sense, it is increasingly becoming par for the course under the Democrat majority. Their \$4.3 trillion tax & spending reconciliation bill even [included \\$200 million](#) for a 1,500 acre park and golf course in Speaker Nancy Pelosi’s district.

The pandemic has certainly been *rough* for all of us, but there has to be a more *fairway* to spend these federal dollars.

Stay tuned for more.
