WHAT WOULD THEY HAVE ME LEAVE OUT?"**

**BUDGET**

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

***“What would they have me cut? What would they have me leave out?”***

**We are glad you asked, Mr. President.**

### **The Bureaucracy**

When Democrats are not giving [massive tax cuts to millionaires](#), they are doing what they do best: building Washington bureaucracy.

In the Democrats’ 2,000+ page tax and spending bill, they’ve embedded [over 150 new government programs – including throwing \\$550 billion at the Green New Deal](#).

The term “program” itself pops up **1,128** times in the bill. The terms “tax,” “fee,” and “penalty” are used **637** times in the bill.

But this is what Americans want, right? Well, not exactly. According to the Washington Post, 60 percent of Americans “are either very or at least somewhat [concerned that Biden will do too much to increase the size and role of government in U.S. society](#).”

Yea, we have that concern too.

Stay tuned for more.
