

**"WHAT WOULD THEY HAVE ME CUT?  
WHAT WOULD THEY HAVE ME LEAVE OUT?"**

**BUDGET**

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

***“What would they have me cut? What would they have me leave out?”***

**We are glad you asked, Mr. President.**

### **Still Paying Dead People**

Those who do not learn from history are condemned to repeat it. Exhibit A: President Biden’s IRS.

In May 2021, the Treasury Inspector General for Tax Administration (TIGTA) told the IRS that the agency had distributed previous COVID-era relief checks **to a large number of dead people**.

Last month, TIGTA released a new report showing...well, yet again that the IRS had distributed thousands of checks from the \$2 trillion Biden Bailout Bill **to deceased individuals** – \$13 million worth of checks to be exact:

*“A new report released from the Treasury Inspector General for Tax Administration (TIGTA) showed that the Internal Revenue Service failed to correct issues found in earlier pandemic benefit programs...[so more of the same wasteful problems reoccurred when American Rescue Plan benefits were distributed.](#)”*

If the definition of insanity is doing the same thing again and again while expecting a different result, then the IRS should seek medical attention – particularly if they are still seeing dead people.

Stay tuned for more.
