

**"WHAT WOULD THEY HAVE ME CUT?
WHAT WOULD THEY HAVE ME LEAVE OUT?"**

BUDGET

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

“What would they have me cut? What would they have me leave out?”

We are glad you asked, Mr. President.

The Inflation “Circle of Life”

Oregon is gearing up to enact legislation to take the massive influx of cash it got from last years “rescue plan” to hand out \$600 checks to households. The Democrat sponsor of the bill in the Oregon House made the case:

“Right now many Oregonians, myself included, have been struggling to get by as the cost of living has skyrocketed.”

Indeed, the cost of living has “skyrocketed” under Joe Biden...because of the inflation crisis brought on by the very spending bill they now claim is the solution.

Behold: an inflationary “Circle of Life” – governments spend trillions of taxpayer dollars with little purpose or plan, overheat the economy, and prices spike. Governments then tap same pool of taxpayer dollars to provide relief to citizens struggling with spike in prices.

Oregon is spending taxpayer dollars to ease the pain of high prices brought on by the spending of taxpayer dollars.

Stay tuned for more.
