HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

**We are glad you asked, Mr. President.**

### **Living in Luxury**

Coming soon to downtown Norwich, Connecticut: brand new luxury apartment buildings – courtesy of your federal taxpayer dollars.

The Norwich city council has agreed to spend \$800,000 in so-called COVID-19 relief funding from the Biden Bailout Bill on developing “[more than 40 high-end apartments built in the now vacant block of buildings, along with some commercial space on the ground floor.](#)”

You don’t need a room with a view to know that high-end appliances and luxury dwellings have little to do with COVID-19 relief.

Stay tuned for more.
