

### **Statement of Support, BPC Action, May 8, 2024**

“BPC Action commends Reps. Rudy Yakym (R-IN), Jack Bergman (R-MN), Scott Peters (D-CA), and Jimmy Panetta (D-CA) for introducing the Improper Payments Transparency Act. The prevalence of improper payments across federal programs undermines Americans’ faith in key public services and can cause severe financial hardship for households nationwide,” says Michele Stockwell, President of Bipartisan Policy Center Action (BPC Action). “This bill is an important step forward by providing lawmakers the information they need to effectively partner with agencies to reduce and prevent improper payments.”
