Don't Take from the Poor and Middle Class to Give to the Rich

Offered by Reps. Higgins and Khanna

Mr. Higgins and Mr. Khanna move that the Committee on the Budget direct its Chairman to request on behalf of the Committee that the rule for consideration of the American Health Care Act make in order an amendment that would (1) strike all provisions in the bill that reduce the number of Americans with health insurance coverage, increase costs, or reduce benefits for poor and middle-class households; and (2) strike tax breaks in the bill for the wealthy, health insurance companies and their executives, and pharmaceutical companies.
