

## **Democratic Motion to Instruct #7**

# **Stop GOP Bill from Reducing Access to Mental Health and Substance Abuse Treatment**

## **Offered by Reps. Lujan Grisham and Carbajal**

Ms. Lujan Grisham and Mr. Carbajal move that the Committee on the Budget direct its Chairman to request on behalf of the Committee that the rule for consideration of the American Health Care Act make in order an amendment that would prohibit any provision of the bill from taking effect until the Secretary of Health and Human Services certifies that relative to current law, its provisions and amendments would not (1) decrease coverage for mental health and substance abuse disorder treatment; (2) increase out-of-pocket costs for mental health and substance abuse disorder treatment; or (3) undermine parity in coverage between mental health and substance abuse disorder benefits and other medical benefits.
