

# **Democratic Motion to Instruct #2**

**Reps. Schwartz and Wasserman Schultz**

## ***Protecting the Health of Women and Children While Closing Tax Loopholes that Reward Corporations that Ship American Jobs Overseas***

Ms. Schwartz and Ms. Wasserman Schultz move that the Committee on the Budget direct its Chairman to request on behalf of the Committee that the rule for consideration of the Sequester Replacement Reconciliation Act of 2012 make in order an amendment that would strike from Title II of the bill section 202, which repeals the Prevention and Public Health Fund under the Affordable Care Act, and replace that section with changes in law to reduce the deficit by closing loopholes in the U.S. international corporate tax system that encourage companies to ship jobs overseas.
