

**"WHAT WOULD THEY HAVE ME CUT?  
WHAT WOULD THEY HAVE ME LEAVE OUT?"**

**BUDGET**

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

***“What would they have me cut? What would they have me leave out?”***

**We are glad you asked, Mr. President.**

### **Major League Spending**

Ohio is handing \$30 million from the American Rescue Plan – a law supposedly about COVID – to the state’s [minor league sports teams](#).

They may be minor league teams, but that’s some major league spending. Speaking of which, why *aren’t* the major leagues chipping in here to support the minors rather than the U.S. taxpayer. The MLB raked in over [\\$11 billion in revenues](#) this year alone.

This is just another strike against one-party Democrat rule in Washington – which has seen enough to send it packing:

- **Strike 1:** \$2 trillion [American Rescue Plan](#) sparked an inflation crisis and left behind a [trail of waste, fraud and abuse](#).
- **Strike 2:** \$745 billion [Inflation Reduction Act](#) gives \$80 billion to the IRS to target more Americans and spends [\\$400 billion+ on the Green New Deal](#).
- **Strike 3:** \$1 trillion+ in [Biden executive actions](#), including a \$500 billion student loan giveaway for the wealthy.

Three strikes and you’re out – which the House Democrat majority will be, on January 3, 2023.

Stay tuned for more.
